

## ISSA YACHT CREW

This course is suitable for complete beginners or those with some previous experience like our short 2-day learn-to-sail course. You will repeat some of the learn-to-sail material, but this is a good way to learn and will benefit you greatly in your learning. This fundamental stage of your sail training will ensure that you have all the basic skills and knowledge needed to be a safe and useful member of a crew. Yacht owners are always looking for good crew; this could be your passport to fun and good times.

The course includes sailing and essential skills like understanding the yacht's equipment and how to use it. You'll also be introduced to handling the boat under power and you'll get to practice doing basic safety checks before starting your sailing session.

As well as developing a solid foundation for your sailing skills you will learn the basics of anchoring and mooring as well as important safety information that everyone going to sea should know like how to decrease the size of your sails should a storm come in which you are out.

Ideal for those who wish to become an active crew member on a sailing yacht.

#### Certificate Limitations

- Crew on a vessel up to a maximum length of 24m (72 ft)
- Up to 20 miles offshore
- In daylight
- In fair conditions with moderate wind and sea conditions

This certificate is the level of competence needed in settled conditions to act as a crew

member on a yacht. You'll be able to play an active part in sailing the boat and be useful to the skipper. As well as understanding what is going on you will get much more out of the experience and be popular with the skipper.
